# 53' SUNSEEKER

Per 4 hrs €3,000  
Per 8 hrs €4,900  
Per 7 days €23,400

Feel like you're powering a rocket across the water with the Sunseeker 53 yacht. The streamlined forward section complements the heavy-duty engines in order to reach that high of a speed. You have windows all around you while giving yourself some protection from the elements with the white overhang. It's easy to keep your guests busy on board due to the many standard entertainment features. A sunbathing area lies along the aft side, but you can also lay out on the forward pad.
