With a typical styling of this particular range, Pershing 46 is a fresh and muscular designed high-performance cruiser whose modern chic will attract demanding yachtman looking for something much more than just another speedy boat. The elegant interiors include three roomy cabins with en-suite bathrooms and a spacious living area with dinette and well-equipped galley. The carbon fiber control panel, now a hallmark of Pershing boats, allows the craft to be maneuvered simply and dynamically, thanks to its functional and ergonomic layout. The spacious stern sundeck, which houses a big and practical forepeak, the comfortable bow sundeck and the roomy cockpit, all offer the owner and guests a high level of living comfort.
