82' SUNSEEKER

GEORGIA is a 25-meter Sunseeker Predator 82 from 2007 and refurbished in 2019. She has a striking dark blue hull with a white superstructure which, together with a stylish interior in white, black and fun color accents, makes GEORGIA a superyacht that is both stylish and fun - ideal for charter in Ibiza!

GEORGIA has an open plan salon-diner; the main saloon is on the starboard side, with a U-shaped sofa in front of the table and on the port side there is a more informal dining table also with a U-shaped sofa. The saloon-diner is complemented by large panoramic windows which allow a lot of natural light to enter and allow you to enjoy the landscape while cruising.

In the aft, GEORGIA offers her guests another open-air dining area plus a solarium area and in the bow, we will find another solarium area offering all her guests ample space to enjoy the sun and the turquoise waters of Ibiza.
