Dona has 5 double bed cabins with the toilet in each one of them accommodating up to 10 passengers. The most impressive areas on Dona are aft deck and foredeck. The aft deck has a huge rounded sofa with cream-colored cushions and a large dining table that can be split into 2 smaller tables. The foredeck features a huge sunbathing area where you can also find some water toys such as kayak, paddleboard and snorkeling equipment.

Despite the fact Dona is one of the affordable cruising options, you can expect a great experience and a very attentive crew. Not to forget that her captain is related to boats his entire life, so you can expect to visit the best places and discover some of the hidden gems in Adriatic.
