# 108' MOTORSAILER

Per 8 hrs €3,575  
Per 7 days €21,450

Our favorite motor sailor, the 31m Luna is a perfect choice for a multi-generational family holiday in Croatia. Luna offers everything from a super comfortable lounge for Granny and Grandpa's afternoon nap to an extensive water sport equipment for the young ones. Travelling by boat is an excellent way to explore the Dalmatian islands, swim in clear clear waters and sample the local cuisine.

She features 8 double cabins (4 double, 2 twin and 2 triple), all well appointed with spacious en suites attached. There is also one more single cabin that can be made available to guests. Luna's extensive deck spaces are ideal for yoga and meditation classes. There is also a Jacuzzi, a small fitness and sauna available for guests' use. On the interior, she features a large inside galley for fine dining that extends onto the aft deck.
