# 50' AZIMUT

Per 4 hrs \$3,000  
Per 6 hrs \$3,500  
Per 8 hrs \$4,000  
Per 7 days \$21,600

Our Azimut 50 responded immediately to throttle advance, and we were quickly at cruising speed. The boat seemed oblivious to the conditions, and ran as smoothly as it would on a flat lake.

Heading into the waves, the hull tracked straight, with almost no reverberation from bow entry. It held turns tightly at 23 knots.

At a top speed of 32 knots, it hardly felt like we were moving at all. The ride was very smooth and dry.

Considering the conditions, we couldn't have asked for a nicer day on the water.
