Designed to offer maximum comfort, PRONTO's vast interior spaces allow for utmost relaxation. Her spacious en suite cabins can accommodate up to 8 guests in an unparalleled décor, with touches of azure blue mixed with high-end bright fabrics and natural woods. Flooded with light from impressively sized windows overlooking the water and the horizon, the interior space blends subtly with the exterior.

The yacht's full-width foredeck holds a jacuzzi, whereas the flybridge boasts a superb round Italian table that can comfortably accommodate all guests for dining with extraordinary panoramic views. At the aft, we find a gorgeous alfresco dining table and a large swim platform providing easy access to the water.

The elegant, relaxing interior and exterior colours and design are combined with the dynamic nature of a power yacht. PRONTO is fitted with a powerful propulsion and a top-of-the-line chase boat for exploring in shallow water...
