Exterior spaces spread over three distinct zones. The main deck aft features a large U-shaped seating area with a folding dining table and a large sun pad. The foredeck is dedicated to relaxation with another sunbathing area - a great place to catch the sun while admiring the view.

The contemporary interior of the boat is very welcoming. The overall style and attention to detail is true to Sunseeker craftsmanship. As you step inside, you will first find a salon with a large sofa and a coffee table. Then as you head towards the front of the boat, you will find a dining area.
