 Per 4 hrs \$800
 Per 6 hrs \$1,160
 Per 8 hrs \$1,450

CAPTAIN INCLUDED

The charter consists of minimum 2 hour to 8 hour tour by night and day. Group of max 10 ppl

It is a unique and unforgettable experience because guests can only experience this on a boat by night or by day.

I speak English, French and Spanish. Comes with captain water soda and ice.

The guests will have plenty of time to take pictures, ask questions and hydrate themselves

Once everybody is safe and comfortable we will cruise over star island where all the houses of the rich & famous are located.(Millionaire's row)

The night tour experience is unique because there is no transit of other charters during this time. The water at night is very calm giving the impression that we are actually floating through the water.

After, we will border Downtown to admire the skyline by night. It is one of the most beautiful skylines in the US. We will see the high rise buildings throughout the bay.I will stop on a strategic point so g...
