Charter 2 hours to 8 hours. The tour consists by night or day. It is a unique and unforgettable experience because guests can only experience this on a boat by night or by day.

I speak [undisclosed], [undisclosed] and [undisclosed].

Throughout the cruise guests will have plenty of time to take pictures, ask questions and hydrate themselves. (sodas and water are complimentary) Once everybody is safe and comfortable we will cruise over star island where all the houses of the rich & famous are located. (Millionaire's row)

We will swim at the sand bar, you can bring your drink and snacks

The night tour experience is unique as well.

We will swim at the sand bar, you can bring your drink and snacks

The night tour experience is unique because there is no transit of other charters during this time. The water at night is very calm giving the impression that we are actually floating through the water.

After, we will border Dow...
