Description
On our power boat, we are offering an all inclusive day around Nassau. When booking with us, you will have a Captain and a hostess onboard.

The boat is a Sea Ray sundancer 400 of 40 feet and it welcomes up to 12 guests.

Depending on the weather, you will be visiting Rose island or Green cay. Rose island with its beautiful beaches has everything you would expect from the Bahamas. At Green Cay, you will experience swimming with wild turtles. At both places, you will be able to enjoy paddle boarding, snorkeling, tubing or walking on the beach. If you want to meet some local celebrities, you can swim with the pigs at Athol Island for an additional fee.

It will definitely be the best day of your vacation!
