Boat is a very nice Coach Tritoon with a Honda 150 hp engine. It has a full bimini, usb charging ports, bluetooth stereo, led lighting, complete wrap around couch in front etc etc. Boat is fantastic for cruising the intracoastal, dolphin watching, hitting the sand bar or just site seeing. We are happy to throw in a cooler for your drinks and snacks and also have the option to add blow up paddle boards and water mat for a small fee.

Hard to find a better way to spend a day.

We cater to whatever is going to make your day one to remember.
