55' AZIMUT

Per 8 hrs €4,000

This boat stands out for maintaining simultaneously style and full comfort.

The main deck is all on one level with only a few steps separating it from the bathroom platform, offering the possibility of creating a more intimate atmosphere. A three-door glass separates the interior and exterior spaces.

The hydraulic bathing platform serves both as a private beach at sea level and as a stabilizer, preventing the movement of the hull when stationary at anchor. Another innovation is the expanded aft sunbathing area, which now includes space for a bench and folding table. When closed, the top of the garage forms a large sundeck.

This version is equipped with a characteristic electric hard top and is distinguished by the large fully equipped cockpit, perfect for sunbathing, socializing, and relaxing.
