Allow us to introduce you to the Lynn St. Clair. This Bali 4.6 is a sleek and luxurious catamaran that offers both comfort and a spacious, stylish design. Whether you are lounging in the open-air cockpit or taking in the incredible views from the expansive saloon, you and your guests will quickly feel right at home on this elegant catamaran.

This catamaran is an entertainer's dream thanks to the Bali door, a unique feature that seamlessly connects the indoor and outdoor living spaces. Additionally, you can open the galley door creating a seamless flow between the interior and exterior areas. Together, these special features make it possible to walk from one end of the boat to the other; a truly unique feature, especially in a catamaran.

From the well-equipped galley kitchen to three separate dining areas- one inside, one on the deck and a third on the flybridge- to a surround sound speaker system with bluetooth connection to play...
