The Jeanneau DB/43 "Luma Blue" is a stunning 2024 premier day boat that redefines luxury and versatility on the water. This vessel is part of Jeanneau's "Day Boat" line, which combines the open-air freedom of a high-end cruiser with the refined comfort of a motor yacht. The layout highlights are truly spectacular, featuring innovative side terraces that fold down to create a massive "Beach Club" atmosphere, significantly expanding the beam for entertaining. Inside, the layout offers a bright and modern master suite and a surprisingly spacious guest cabin, all finished with premium materials like white oak and designer upholstery.

When it comes to performance, the Jeanneau DB/43 specs are designed to thrill. Powered by either triple Mercury outboard engines or twin Volvo Penta inboards, "Luma Blue" can reach impressive speeds of over 30 knots with smooth, responsive handling. Its Michael Peters-designed hull ensures exceptional sea...
