53' GALEON

Per 4 hrs \$3,500
 Per 6 hrs \$4,750
 Per 8 hrs \$6,000
 Per 7 days \$36,000

The 53' Galeon is a versatile flybridge motor yacht from the Polish builder Galeon, designed to maximize social space through innovative engineering. We like the 53' Galeon for its signature "beach mode" fold-down balconies that expand the beam to nearly 20 feet, creating a massive platform for entertaining over the water. The experience is defined by the rotating aft sofa that can face either the salon or the sea, ensuring you always have the best view.

Inside, the three-cabin layout includes a full-beam master suite and a bright salon with a retractable window that opens directly to the cockpit bar.

Performance information features twin Volvo Penta D11 engines that deliver a 32-knot top speed and a comfortable 24-knot cruise. The 53' Galeon specs prioritize flexibility, featuring a hull designed for stability even with the balconies fully extended.
