The Azimut 88 (often part of the Grande collection) "Cloud 9" is a breathtaking masterpiece of Italian flair from the legendary builder Azimut. This 2019 motor yacht is a perfect blend of carbon-fiber construction and high-fashion interior design. The layout highlights are focused on maximizing the connection to the sea, featuring floor-to-ceiling windows in the main salon and a massive flybridge that serves as a private beach club in the sky. With its spacious galley and a palatial full-beam master suite, "Cloud 9" is purpose-built for world-class entertaining.

On the water, the Azimut 88 specs reflect a commitment to high-tech performance. Thanks to the extensive use of carbon fiber in the superstructure, the yacht has a lower center of gravity, resulting in exceptional stability and efficiency. Powered by twin MTU engines, "Cloud 9" cruises with a silent authority that makes long-range charter cruising or extended family trips ...
