The Prestige 550 "Jack Trenton" is a premier example of French maritime innovation from the world-class builder Prestige. This 2015 flybridge yacht is renowned for its clever use of space and light, offering a sophisticated environment for both relaxation and adventure. The layout highlights are truly unique, headlined by the brand's signature private-access master suite, which provides an added layer of seclusion away from the guest cabins. With a seamless flow between the aft galley and the open-air cockpit, the vessel is perfectly optimized for effortless entertaining.

On the technical front, the Prestige 550 specs focus on ease of use and precision. Powered by twin Cummins engines and equipped with the innovative Zeus pod-drive system, "Jack Trenton" offers incredible maneuverability and joystick control, ensuring a stress-free experience even in tight marinas. This motor yacht delivers a stable and efficient performance, maki...
