The 46' Cranchi is a sleek sport cruiser from the Italian builder Cranchi Yachts, designed for agile performance and Mediterranean-style outdoor living. We like the 46' Cranchi for its versatile cockpit, which features a large U-shaped lounge and a retractable soft top that allows you to transition from a shaded sanctuary to an open-air sun deck in seconds. The experience is defined by a clean, modern aesthetic and a large aft sun pad that sits directly above a garage for a small tender or water toys.

Inside, the layout features two cabins and two heads, with a bright, wood-accented salon and a fully equipped galley.

Performance information features twin Volvo Penta D6 engines that deliver a 28-knot cruise and a top speed of 34 knots. The 46' Cranchi specs include a high-efficiency hull design that ensures a smooth and stable ride even in coastal chop.
