The Sea Ray 44 Sundancer is a timeless classic from the legendary American builder Sea Ray, renowned for its signature blend of comfort and seaworthiness. This 2007 sport yacht features a sleek, aerodynamic profile that still turns heads at the marina. The layout highlights focus on social flow, offering a spacious, climate-controlled cockpit with ample seating and a seamless transition to a luxurious interior. Inside, you'll find a well-appointed galley and a private master suite with an island-style bed, making it feel far more spacious than its 44-foot length suggests.

In terms of performance, the Sea Ray 44 Sundancer specs are built for reliability and smooth handling. Typically powered by twin Cummins diesel engines, this vessel offers a stable and authoritative ride, whether you are heading out for charter cruising or weekend family trips. The integrated swim platform and generous sun pads make it a fantastic choice for wate...
