The Fjord 44 Open "Epic" is the ultimate expression of the modern "power walkaround." As a flagship of minimalist Scandinavian design built by Fjord, it is defined by its sharp, clean lines and iconic vertical bow that commands attention in any marina. The layout highlights center on a flush, single-level deck that allows for effortless movement between the expansive bow sunpad and the modular cockpit. It is the perfect stage for entertaining, featuring a high-end outdoor galley and an oversized T-Top that provides stylish shade for alfresco dining.

Technically, the Fjord 44 specs are a masterclass in precision. Typically equipped with Volvo IPS propulsion, "Epic" offers exceptional maneuverability, allowing the captain to dock this 44-footer with pinpoint accuracy using joystick control. Its performance is both spirited and stable, capable of reaching impressive top speeds while maintaining a remarkably dry ride. Whether you are ...
