The Azimut 60 Fly is widely considered a masterpiece of the Italian shipyard's fleet, striking a perfect balance between sophisticated design and high-level performance. This flybridge yacht is celebrated for its sweeping, aerodynamic lines and an innovative use of glass that creates a seamless connection with the horizon. The layout highlights feature a world-class flybridge—one of the largest in its class—equipped with a full bar, lounging areas, and a second helm station, making it the ultimate setting for premier entertaining. Inside, the main deck offers a bright, open-plan salon and three spacious cabins, including a magnificent full-beam master suite.

Technical excellence is at the heart of the Azimut 60 specs. Engineered for a smooth and commanding ride, it typically features powerful twin MAN engines that deliver a top speed of over 30 knots. Its advanced hull design and optional stabilization systems ensure maximum comfo...
