The Astondoa 68 "DARE TO DREAM" is a brilliant showcase of Spanish shipyard Astondoa's ability to blend custom-feel luxury with sporty performance. This motor yacht is highly regarded for its sleek, Mediterranean profile and its emphasis on outdoor living. The layout highlights include a wide-beam design that creates an unusually spacious main salon and a large, social flybridge designed for effortless entertaining. One of its most praised features is the four-cabin configuration, which provides ample space for guests, led by a luxurious, full-beam master suite that offers a private sanctuary on the water.

Technically, the Astondoa 68 specs are designed for a refined and powerful experience. Typically powered by twin MAN engines, "DARE TO DREAM" offers a smooth and reliable performance, capable of reaching speeds that make it perfect for cruising between coastal hotspots. Its deep-V hull ensures stability and comfort during long-r...
