The ISA 120 Sport (now cruising as YCM 120) is the ultimate Mediterranean "super-sport" yacht. Originally built in 2006 and fresh from a comprehensive 2024 refit, this yacht perfectly captures the aggressive, aerodynamic spirit that Italian shipyard ISA is famous for. What sets it apart is its triple-engine waterjet propulsion system, which allows the yacht to reach incredible speeds with minimal vibration—it literally "glides" across the water. The layout highlights include a unique split-level master suite that provides a penthouse feel, and a massive sundeck featuring a Jacuzzi and a custom Teppanyaki grill, making it a world-class platform for entertaining.

Technically, the ISA 120 specs are built for the fast-paced charter cruising lifestyle. The 2024 refit ensured that its systems—from the high-speed Starlink Wi-Fi to the interior soft goods—are at the absolute cutting edge. While most 120-footers are heavy and slow, "YCM 12..."
