The Cruisers Yachts 46 Cantius "Make It Sweet" (2022) is the ultimate social cruiser, designed to blend the boundaries between the indoors and outdoors. This yacht is a standout for entertaining because of its "open-concept" main deck, which features a seamless transition from the cockpit to the salon. The layout highlights include a massive power sunroof and a tri-slide glass door that opens wide to connect the aft galley with the cockpit lounge, creating a single-level party floor. For family trips, the two-stateroom, two-head configuration is exceptionally spacious, with a full-beam master suite that offers a luxurious, private retreat with large hull-side windows for incredible water views.

Technically, the Cruisers Yachts 46 specs are built for refined performance and ease of use. "Make It Sweet" is powered by twin Volvo Penta IPS 600 engines, delivering a smooth cruising speed of 24 knots and a top speed of roughly 30 knots...
