Why We Like It

The 60' Leopard Power Catamaran (2021) represents the absolute pinnacle of luxury day-chartering and stable island-hopping. Built by Robertson & Caine, this yacht is a crowd favorite because it effortlessly blends the massive, wide-beam footprint of a mega-yacht with the smooth, wave-crushing stability that only a premier catamaran hull can provide. The layout highlights feature an expansive first-floor area with a seamless flow between the cockpit and the main salon, complete with panoramic 360-degree glass. For family trips, the three-stateroom, three-bathroom configuration offers a bright, high-design retreat below deck that feels less like a boat cabin and more like a high-end waterfront hotel room.

Technically, the Leopard 60 specs are strictly optimized for effortless performance and elite entertaining. It features a mammoth flybridge—the second floor—equipped with a VIP lounging zone, built-in wet bar, refri...
