The 58' Princess is a premier sport cruiser from the world-class builder Princess, offering an exhilarating motor yacht experience for those who value speed and style. We like the 58' Princess for its impressive performance information, with twin Volvo D13 engines providing a 38-knot top speed, making it the fastest 58' Princess yacht for coastal hopping. This vessel is highly optimized for charter cruising and high-energy family trips.

The layout highlights include a spacious cockpit with a retractable sunroof and a large submersible bathing platform for easy water access. Below deck, the 58' Princess specs feature a full-beam master suite and a designer galley, creating a luxury retreat for entertaining guests.

Whether you are booking a 58' Princess charter for a day of sun-drenched relaxation or reviewing 58' Princess specs for a week-long escape, this cruiser delivers. It is the perfect choice for a 58' Princess charter tha...
