# 25' BAYLINER

Per 8 hrs **\$1,800**Per 7 days **\$10,800**

Bayliner 25 is designed for people who want a boat for cruising rather than for the kind of watersports that would be best carried out with a sport boat. She can be used for both day cruising and for overnight cruising. You can take her to the coast and do some very interesting exploring. Bayliner's designers have maximized the size of this cruiser for interior room, yet still be tailorable.
