This white-hulled, fan-tailed, plumb-bowed mini-yacht is a real charm in the Classic Harbor Line fleet. Kingston features wrap-around seating, a sound system for narration or music, a marine restroom, an open forward deck and a fully equipped bar. She can do a full circumnavigation of the Island of Manhattan in 3.25 hours and can easily visit the many nooks and crannies of the waters surrounding NYC. The back cabin is fully covered but features large slide down windows for a more 'porch style feel' when cruising in ideal weather. During cooler months she can be fully enclosed and heated.
