# 75' SUNSEEKER

Per 10 hrs \$7,850

Per 7 days \$47,100

We are impressed with the elegant Sunseeker 75 Yacht's floorplan that offers four staterooms with en suite heads, plus crew quarters. On the main deck she has perhaps the largest salon in class as well as having a formal dining area – which we think every motoryacht of this caliber should have. The vast sun pad forward and raised gunwales create a remarkably useful space that provides a bowrider effect where guests can safely relax while the yacht is underway in calm seas.

The Sunseeker 75 Yacht places a premium on entertaining with a spacious flybridge that has two seating areas plus a large sun lounge and a wet bar. The bow is one of the most accommodating we've seen in the class and the salon has an open layout that can easily serve a crowd.

Large windows in the salon and hullsides serve dual purposes, letting in abundant natural light and giving guests a thrilling seascape.
