# 35' SESSA

A combination of generous overhead halogen lighting, a hatch over the forepeak berth, a light oak interior and optional oak saloon sole, and standard stainless steel galley countertops that pick up and reflect light. The contemporary styling here is eye-catching. The Sessa C 35 should be an effective family weekender, although with her raked, wind-in-your-hair appearance, she could be equally attractive to the high-speed, sharp-turning performance enthusiast. The Sessa C 35 is sturdy, attractive, speedy, and easy on the eyes.
