32' SEA

Per 8 hrs \$1,800

Per 7 days \$10,800

Charisma, sophistication, and an unmistakable style come standard on the 32' Sea Water Phantom, but above all else, she provides the ability to deliver the comfort and versatility you would expect on much larger craft. What makes her special is her new deck layout, rich with a spacious bow sun bed, and bench seating behind the steering helm. This 2016 allows you to drop anchor at a whim and step right off the back and dive right into the warm waters of Saint Martin. Designed for a perfect combination of relaxation and adventure. Enjoy.
