This classic 1939 sailing yacht was commissioned by Gen George Patton as his personal yacht and named When and If for his famous quote: "When the war is over, and If I live through it, Bea and I are going to sail her around the world." She is meticulously maintained and went through a full refit in 2015 with most of the original fitting below deck. This is a true historic charter and will be sure to be a memorable excursion wherever in the world you are.
