

The first interior space I want to review is accessed from a door located to port on the aft deck.

This leads down to the commercial grade galley which is located back aft. Complete list of galley equipment is outlined in the options list. Forward of that you have one of 4 guest cabin en-suites.

Both spaces have a massive amount of natural light provided by multiple large vertical glass windows that you can see when looking at the hull.

80' SUNREEF

LOCATION	BUILDER	YEAR
FORT LAUDERDALE, FL	SUNREEF	2020

The salon is massive and has 360 degree views with the forward area offering a glass skylight that stretches from port to starboard.

To starboard you have a dining area that seats up to 10 and opposite to port you have an --shaped settee with 2 Cantori chairs.

Price
\$6,800,000

Forward of these spaces you have stairs that I...
