"SOL" is hull #18 of the latest model Azimut Grande 35 Metri series, constructed of GRP with a carbon fiber superstructure & D2P hull design for high speeds with less power and more efficiency & comfort while cruising. The 5 SR layout and master on main deck with Instant Balcony, 2x beach clubs, and optional sun deck, are rare features in a yacht of this size. SOL features a custom interior design by Achille Salvagni. Delivered in June 2019, "SOL" has low hours and is available for sale as a relatively new yacht, including warranty.
