M/Y Que Sera Sera is one of the finest examples of the Prestige 500 Flybridge Yacht. It has been well maintained and for 2020 it had all the exterior soft goods replaced which included all new seating and new Bimini tops.

The Prestige 500F is the yacht that revolutionized its category by being the first to have a three stateroom layout with a full beam master as well as a private entrance for the master stateroom for added privacy.

Although it has the most efficient and user friendly Volvo IPS power train with joystick control, the yacht still has a fully functional crew cabin in case you still would like to have a captain.

M/Y Que Sera Sera is a turnkey yacht and ready for a new owner.
